

Steigerwaldt Land Services, Inc., is a full-service forestry, GIS, real estate, surveying, and appraisal company with offices in Tomahawk and Hayward, Wisconsin, and Negaunee, Michigan. Steigerwaldt has been a family owned and operated business since 1957.

We are currently seeking one **full-time, CAD Survey Technician** at our Tomahawk or Hayward, WI office. This person is an accomplished CAD Technician with 1 – 5 years of experience, preferably in a Civil/Survey capacity.

Becoming a member of Steigerwaldt is more than just an opportunity to follow your passion in surveying. It is an opportunity to be a part of an organization that fosters professional growth, nurtures your talent, and allows you to take ownership of your career path. A strong sense of brand, culture, and values define our company and our team. Our office culture is one that values synergy in the office and in the field.

Steigerwaldt creates a transparent and inclusive environment that involves you in company strategic planning, career development, and a vested interest in company success.

The intrinsic benefit of Steigerwaldt's work environment is complimented with a full benefit package* including:

- Profit sharing
- Health insurance
- Vacation
- Paid holidays
- 401k

** Following the successful completion of the evaluation period. Salaries commensurate with experience.*

If this sounds like the supportive, passion-driven, professional environment you will thrive in, please apply to join our team.

The ideal candidate would meet the following criteria and competencies to complete and excel in the day-to-day tasks of a CAD Survey Technician and as a member of the Steigerwaldt team:

- Desires to develop and excel in a career as a Land Survey CAD technician in a fast-paced and diverse consulting business.
- Knowledgeable and skilled in the technical expertise required to complete survey drawings and exhibits using a variety of CAD software.
- Proficient with Civil/Survey CAD software, and Microsoft Office.
- Willingness to assist on field surveys as the schedule requires.
- Embraces change and can modify behavior and plans to effectively achieve goals. Adaptability, flexibility, and change agility is necessary.
- Has the drive, energy, and initiative to work independently in varied settings, both in the field and with clients and other professionals
- Engages in active listening to understand and act on the expectations of peers, supervisors, and clients
- Prioritizes communication by taking responsibility for continuously seeking and sharing information to best anticipate and meet customer and director needs.
- A team player who is an ambassador of integrity, respect, curiosity, and flexibility.
- An effective problem solver that can identify the root of a problem, provide productive solutions, act decisively, and show good judgement.
- Maintains composure and patience in stressful circumstances.

- An individual who uses Steigerwaldt's mission of 'Quality work fast, with honesty and integrity' as a benchmark for decision making and standard of work.
- Current valid driver's license

Posting Date: October 9, 2020. Position will be filled within one to three months. Interviews will be scheduled throughout this time. Expected start date is in November 2020, dependent upon candidate availability. Please note that this position may be filled sooner, as there is flexibility in the start date. Your resume with cover letter is to be transmitted by mail or email to the contact below.
